

Family Scam Card

PORCHIA

Hang up. Call back on the number you already have.

For your bank, that's the number on the back of your card.

- 1 Rushed, scared, or told to keep it secret?** That's the scam. Stop and call someone first: _____
- 2 A grandkid or family member in trouble?** Ask for our family code word: _____
- 3 Never pay with** gift cards, wire transfers, crypto, gold, or cash handed to a courier. Real companies and agencies don't ask for these.
- 4 Never read back a code** someone texted you. Not to your bank, not to anyone.
- 5 Pop-up says your computer is infected** and gives a number to call? It's fake. Close it.
- 6 Paying by QR code?** Check for a sticker on top. Better: open the official app yourself.

Already paid or shared something? **Call your bank now**, then report it: ReportFraud.ftc.gov · 1-877-382-4357

Porchia will never ask you for money, codes, or passwords.
